041	<p>AGENDA ITEM 10 – STORAGE AUDIT</p> <p>The Clerk gave an oral update on the outcome of the storage audit. One user’s storage requirements (for the storage of small trampolines) could not be met going forward and sadly that regular booking would come to an end shortly. Some parish council items had been moved around and some disposed of – it was noted that the Camera Club was using a lot of storage – one cupboard exclusively and another shared with the parish council. It was agreed that the Chairman would ask the Camera Club to amalgamate its items into the cupboard to which it has exclusive access. Additional storage should be constructed at in the youth hall, and it was agreed that this should be built at the north end of the hall – leaving the south end for the installation of the water supply.</p> <p>The detail of the proposal to build additional storage to be considered by the Finance Committee.</p>
