

TANGMERE PARISH COUNCIL

Grants Awarding Policy

1.0 Introduction

Tangmere Parish Council offers grants to local organisations and community groups to support a specific purpose, project or initiative that will benefit the Parish or residents of the Parish and which is not directly controlled or administered by the Parish Council.

(The Parish Council is legally able to make grants to the community under the General Power of Competence which permits councils 'to do anything individuals generally may do as long as they do not break other laws')¹ The Parish Council is legally able to make grants to registered charities under Section 137 of the Local Government Act 1972 which states that donations can be spent for the benefit of part or all of the community, but not to an individual, and that grants must be commensurate to the benefit, representing value for money and being fairly distributed. The Parish Council makes provision for awarding grants within its annual budget.

Tangmere Parish Council considers community grant applications bi-annually, subject to a maximum annual budget. The deadline for applications is 30 April and 31 December annually. Applications are considered at the first Full Parish Council Meeting following the deadlines. All awards are made at the discretion of Tangmere Parish Council and any decision made will be final.

In all cases the following shall apply:

- Promoting the Parish of Tangmere in a positive way

Grants are paid from public funds, raised through the Parish Council's Precept which are subject to scrutiny. The Parish Council needs to be able to show that the monies have been properly spent.

The Parish Council will not award grants to:

- Private individuals
- Commercial organisations
- Purposes for which there is a statutory duty upon other local or central government departments to fund or provide, unless such duty is devolved to the community or local level by agreement.
- 'Upward funders'/'uploaders' i.e. local groups where fund raising is sent to a central HQ for redistribution.
- Political parties
- Religious organisations, unless for a purpose which does not discriminate on the grounds of belief.

- Publicise or promote any organisations.

The list is not exclusive and may be added to at the Parish Council's discretion. Only one application for a grant will be considered from an organisation in any one financial year. Grants will not be made retrospectively or be made once work on the project has already commenced.

Where additional information is required in order to consider the grant application applicants may be invited to meet with members of the Parish Council to further discuss the application, prior to the grant being determined by Full Council.

Please be aware that there may be times when there is significant competition for grants and not all grant requests can be met. Providing as much information as possible will allow the Parish Council to determine priorities.

4.0 Assessment Procedure

- Each year, when the budget is set, an amount is allocated from which grants will be awarded during the following financial year. This amount will principally be for grant requests that have already been received by the Parish Council in accordance with the application procedure and when it envisages it may be granted. Any amount set aside within the budget in respect of applications received by the due date does not guarantee an award: a decision upon an award will remain for approval by full Parish Council at the appropriate meeting.
- Once the grants budget is exhausted the Parish Council will only consider emergency requests for assistance.
- Each application will be considered on its own merits. However, to ensure as far a distribution as possible of available funds, the Parish Council will take into account the amount and frequency of any previous awards and the geographical spread within the Parish. Due account may also be taken of the extent to which funding has been sought or

- secured from other courses or fund-raising activities.
- The Parish Council may make the award of any grant or subsidy subject to such additional conditions and requirements as it considered appropriate. The Parish Council reserves the right to refuse any grant applications which it considers to be inappropriate, or against the objectives of the Parish Council.

5.0 Conditions of Funding

- A grant award must only be used for the purpose stated on the application unless the written approval of the Parish Council has been obtained for a change in the use of the grant prior to the work being commenced.
- Acknowledgement of the grant must be made in all publicity, notices or other information citing Tangmere Parish Council and where appropriate, the Parish Council logo as appears at the top of this policy.
- Any request by the Parish Council for information from the organisation for its own purposed should be compiled with and responded to within the timescales given.
- If the organisation is unable to use the money, or part of it, for the purposes stated, then all monies, or expended part of such monies, must be returned to the Parish Council. The Parish Council may request proof of expenditure.
- Organisations receiving grants are required to advise their users/members that the grant or equipment has been received from Tangmere Parish Council. Where appropriate, the Parish Council may require a notice to be altered.
- Recipients will be responsible for administration and accounting for any grant. All awards must be properly accounted for and evidence of expenditure should be supplied to the Parish Council as requested.
- All applicants will be contacted in writing following the Parish Council's decision.

Nothing contained herein shall prevent the Parish Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provisions of the Localism Act 2011, the Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012 or the Local Government Act 1972 Section 137.
